

Energy trade. Maritime connection.

FZE, Sharjah, United Arab Emirates

OIL & GAS / DIESEL / MARINE BROKERAGE

Orient Brokerage & Trading connects energy suppliers, buyers, vessel owners, charterers, terminals and logistics partners. Based in Sharjah, UAE, we support oil and gas, diesel and refined-product enquiries through energy trading, marine brokerage and shipping coordination.

CORE CAPABILITIES

Oil, gas & diesel shipping

Marine transport coordination for petroleum and refined-product cargoes, aligned with specification, volume and timing.

Energy trading & brokerage

Buyer and seller introductions, cargo matching and support for clearly defined commercial transactions.

Vessel sourcing & chartering

Vessel and tanker brokerage, chartering support and liaison between cargo interests, owners and charterers.

Logistics & documentation

Port and terminal interfaces, shipping documents and delivery follow-up through appointed service providers.

CORE FOCUS

Diesel / Gasoil / Refined petroleum products

MARITIME PARTNERSHIP & DELIVERY SUPPORT

Connected from enquiry through delivery.

IN PARTNERSHIP WITH

Orient Shipping Company Ltd.

Shipping coordination and collaboration, with scope agreed for each engagement.

www.orientshipping.jo

Practical support across the voyage.

Ports & terminals
